PROFILE SUMMARY

Motivated to launch a career in Software Development, leveraging my Full-Stack Web Development background and hands-on experience in PHP, Java, React, and TypeScript. Proactive problem-solver with strong analytical skills. Excited to learn and contribute to innovative projects.

SKILLS

HTML; CSS; JavaScript;   PHP; Java; TypeScript;   Ruby; PostgreSQL; Git;   Python React; DevOps

EDUCATION

Red River College Polytechnic – Diploma, Full-Stack Web Development   **Winnipeg, MB, CA**
August 2023 – December 2024 (Ongoing)

PROJECT EXPERIENCE

Website portfolio – This project serves as a succinct digital resume, showcasing my skills and experiences in a user-friendly format. Designed with simplicity and functionality in mind, the website highlights key information effectively while demonstrating proficiency in front-end technologies such as HTML, CSS, JavaScript, and Bootstrap.

Content Management System (CMS) – Demonstrated proficiency in front-end technologies and server-side scripting to create a user-friendly content management system. Implemented responsive design principles with Bootstrap for optimal viewing across devices. Utilized JavaScript for interactive features and PHP for server-side functionality. This project showcased my ability to effectively utilize a range of technologies to deliver a functional solution.

WORK EXPERIENCE

Shift Lead – Kawaii Crepe Restaurant   **99 Osborne – OCT 2023 - Present**
As a Shift Lead at Kawaii Crepe Restaurant, I ensure smooth operations, from greeting guests to coordinating kitchen activities. Whether coaching team members or maintaining quality standards, I'm dedicated to creating memorable dining experiences.
